

[Advisory Opinion 1994-3]

MEMORANDUM

March 30, 1994

TO: [Name1 withheld]
Silver Spring Government Center

FROM: Barbara McNally, Executive Secretary
Montgomery County Ethics Commission

SUBJECT: Request for Opinion/Waiver

You have requested an opinion/waiver from the Ethics Commission regarding whether you may serve on the Board of Investment Trustees while a member of the County's retirement system.

The Commission has been advised by counsel that the membership of the Board of Investment Trustees requires that a county employee be appointed to this board. In consideration of this mandate, the Commission believes that your participation does not create a conflict of interest and does not require a waiver of the Ethics law. If you have further questions, please don't hesitate to contact our office.
